There are 5 Key Indicators (KI) that school should expect to see improvement across: 1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school 2. The profile of Physical Education and sport is raised across the school as a tool for whole school improvement 3. Increased confidence, knowledge and skills of all staff teaching in Physical Education and sport 4. Broader experience of a range of sports and activities offered to all pupils 5. Increased participation in competitive sport

Sports Coach: A qualified sports coach will be employed to support with PE lessons, lunchtime activities and after school clubs. They will work alongside class teachers and teaching assistants to share their expertise in delivering high quality, purposeful, inclusive sporting activities.	£20,979 KI1, KI2, KI3, KI4	To increase the sporting offer after school. To engage children in a range To work alongside teachers to upskill them in their delivery of PE. To provide pupils with the opportunity to participate in after school clubs. To actively encourage pupils to participate in physical activity.	Pupil participation in after-school clubs increased, including among pupils who had previously been less active or reluctant to take part in sport. Pupils developed greater confidence, enjoyment and willingness to participate in regular physical activity. Teachers reported increased confidence, subject knowledge and competence in delivering PE after working alongside specialist coaches and observing effective teaching practice. Staff were better equipped to model, teach and assess physical skills independently, creating a more sustainable approach to high-quality PE provision.
<u>PE Scheme</u> Following the positive feedback from staff about Get Set 4 PE we have re-subscribed.	£300 (partially funded) KI3, KI4	To provide staff with lesson plans which have clear learning intentions, progressive and differentiated activities and follow a sequence of learning.	The use of structured lesson plans resulted in clearer learning intentions, appropriately adapted activities and a more consistent sequence of teaching and assessment. Curriculum monitoring confirmed that pupils

		To ensure National Curriculum requirements are met. To ensure that lessons are progressive across year groups.	received their full National Curriculum entitlement through a broad and balanced programme of PE. A clear progression of knowledge and skills was established across year groups, reducing unnecessary repetition and ensuring that pupils built on their prior learning.
<u>Competitive Sport</u> Take part in Medway's Mini Youth Games series.	£120 (partially funded) KI2, KI5	Provide pupils with the opportunity to compete in local sports tournaments. Develop a good attitude towards competition and display good sportsmanship. To give children a sense of pride, inspiration and ambition to excel in competitive sport.	More pupils represented the school in local tournaments and inter-school competitions, including some who had not previously participated in competitive sport. Pupils demonstrated improved teamwork, resilience, fairness and respect for teammates, opponents and officials. Pupils became better able to manage both success and disappointment, showing increasingly positive attitudes towards winning, losing and personal improvement. Representing the school strengthened pupils' sense of belonging, pride and achievement and raised their aspirations within sport.
